Case # 13-53846

Judge Steven W. Rhodes  
c/o Clerk of the Court  
U.S. Bankruptcy Court

Southern Division

Dear Judge Rhodes:

I am a City of Detroit retiree. I retired in 2005 based upon a certain amount guaranteed<sup>to</sup> me by the General Pension System. Little did I know that nine years later my health and pension allowances would be greatly cut. During the last nine years I have had many health challenges: I was diagnosed with spinal stenosis and cancer of the lymph nodes. For the rest of my life I will have to receive treatment for these conditions and or <sup>from the</sup> residual affects of the treat<sup>ment</sup> I have to deal with.

these conditions/and or residual  
Not only do I have to deal with  
health issues, I have to deal with the psycholog-  
ical stress, the anger, the feeling of being  
a ~~patient~~ <sup>patient</sup> ~~the~~ <sup>the</sup> ~~transformation~~ <sup>transformation</sup>

of hopelessness and yes; despair that I feel.

Humans, individuals with blood running through their veins, who have raised children, payed taxes, voted, been dutiful in obeying the law should not be asked to pay for deals that corporations made knowing that risks were involved,

I ask that our pensions not be cut, ~~reduced~~. In addition, no cost of living <sup>allowance</sup> is being proposed. I'm asking that (COLA) remain also.

We in the twilight of our lives should not be treated this way - our financial responsibilities can't be met with the amount of money we'll be left with.

Thank you for your  
consideration
